## FDR's New Deal Programs

*Franklin Delano Roosevelt believed the federal government should take an active role in solving the problems of the Great Depression. He pledged to the American people a New Deal. This New Deal would be the broad title for what would be dozens of government programs and policies designed to end the immediate suffering (relief), solve the economic crisis (recovery), and prevent future economic disasters (reform). Listed below are a few of the more popular programs of the New Deal.*
