

Homework #7 – Due Friday

Aim: How did ideas of democracy take root in the Thirteen Colonies?

Do Now: Draw a semantic web for "Democracy"

Democracy

Gallery Walk

Directions:

Copy the questions on the next screen.

In a group of 4 people total:

Take today's notes with you. (Leave your notebook on your desk with homework section open).

Walk to one set of documents. Begin reading and analyzing. Answer questions but don't move until you are instructed to go.

Development of Democracy in the **13 Colonies**

Write the following in your notebook and complete for each document:

a. Title & #

b. What was the (title of doc) ?

c. When and where was it created?

d. How does it include ideas of self-government and democracy? Explain using details (cite info from the document).

Final Summary

Answer today's Aim Question by summarizing the information from ALL of the documents.

Your answer should be a full paragraph, with citations to the documents you analyzed.

** The practice of summarizing daily notes is an important habit. Please begin this practice starting today and continue it daily.*
