

Homework – Finish today’s classwork reading and note-taking – Due Monday

Aim: How did life change for people in the Neolithic Age?

Do Now: Read the documents “**Neolithic Revolution**” and answer the two questions.

(You can write your answers on the lines provided on the worksheet)

Neolithic Revolution

- Life becomes more complex.
- Cities and civilizations become permanent.

Compare & Contrast

- Let's compare and contrast the Paleolithic Era with the Neolithic Era. 😊
- **Activity:**
 - 1) Join with your pair partner to complete the column "**Paleolithic Age**". Use your knowledge, class notes, homework, and your partner to complete the information.

Compare & Contrast

- **Activity (cont'd)**

2) Use the reading “***Aspects of Life – The Neolithic Age***” to complete the information in the two columns on your worksheet labeled “**Neolithic Age**” and “**Effect**”.

3) You can work with your pair partner to share your findings.

4) Your homework is to finish completing these two columns)

Final Summary

- Answer today's Aim question in your notebook in a paragraph of 3-5 complete sentences.
